## IMAGINADOR 2016

### VINEYARDS

IMAGINADOR 2016 is a blend from 3 different vineyards in the area of ITATA (Guarilhue) and one in Cauquenes in the South part of MAULE.

- Juan Carlos Torres Vineyard : Cinsault planted on 1958, facing North East, is the less sunny vineyard, latest to be harvest every year.

- Hector Carrasco Vineyard : Cinsault planted on 1964, facing Nord, is the most sunny vineyard with the most stony soil, always the first to be harvest. The same Vineyard has 3.500 vines of Pais, older than 190 years.

- Lito Rodriguez Vineyard : Cinsault planted on 1959, facing Nord, is the perfect balance between stony soil and facing.

- Sergio Sotomayor Vineyard : Carignan planted on 1967, facing West, is maybe the coastal Carignan Vineyard in Cauquenes.

All vines are dry farming bush vines, with high density plantation.

**ELEVAGE** : Imaginador 2016 is a 40% Fudre and Oak Tank and 60% stainless and steel for 1 year.

**SOIL** : All 4 vineyards are red granitic quartzic soils. Slopes from 10 to 25% steep.
